Terms & Conditions

- Children's parties are recommended for age 5 and over this is due to number restrictions and the requirement for additional adult supervision. Younger siblings are welcome.
- Parties are booked in 2 hour slots. 0.5 hours preparation time if you are bringing food and 1.5 hours for the party. You can split this as you wish. We recommend 45 mins painting and 45 minutes for food.
- If you don't want to bring food then you may book an hour only, please let us know in advance if this is the case so we know how to set up the shop. The cost remains the same.
- Children remain the responsibility of the parent / guardian or party organiser at all times.
- We recommend that children wear suitable clothes. All paint is washable and we do our best to keep painting parties mess free but accidents can happen.
- All paints are washable and non-toxic, we do however suggest that all children wash their hands before eating their party food.
- A £40 deposit is required when booking. This deposit is only refundable up until two weeks before the event date. Thereafter no refunds will be issued.
- Balance is due in full on the day of the booking. (Unless subject to an additional offer where it is payable in advance)
- Minimum of 8 and a maximum of 14. Please confirm numbers 4 days before the party. A minimum of 8 will always be charged for.
- Items are subject to availability and should be chosen at least 10 days before the party to guarantee the selection if you want something specific otherwise the children can choose from what is in the shop on the day. We always endeavour to have a good selection to choose from.
- Unfortunately due to the nature of the product occasionally items can be damaged in the firing process. If this occurs you will receive a voucher for the guest to paint an item of the same value free of charge.
- Small figures are display only and are not toys or suitable for under 3's.
- Once glazed, items are food safe but we would not recommend putting them in the microwave or dishwasher.
